

Dr. Seyed Esmail Hassanpour

Professor of Plastic & Reconstructive Surgery

Plastic & Reconstructive Department of Shahid Beheshti University of Medical Sciences (SBMU)

PERSONAL DETAILS AND CONTACT

Birth Date and Place: 1955, Ardestan, Iran	Email Addresses: Esmail_hassanpour@yahoo.com Hassanpour1394@sbmu.ac.ir	Phone Numbers: +982188943434 +982188902155-9	Fax Number: +982188909193	Address: 15 Khordad Hospital, Aban St., Karim Khan Blvd , Tehran, Iran
--	---	---	-------------------------------------	---

EDUCATION

<i>Necker Hospital; Blomet-Ramsay General Health Clinic; Surgery Center of Princess; Sembat Clinic</i> A Cranio-Maxillofacial Surgery Sabbatical (visiting scholar)	Paris, France 2004
<i>Iran University of Medical Sciences</i> Plastic & Reconstructive Surgery	Tehran, Iran 1995
<i>Isfahan University of Medical Sciences</i> General Surgery (Valedictorian)	Isfahan, Iran 1987
<i>Isfahan University of Medical Sciences</i> Medical Degree (Distinguished Graduate)	Isfahan, Iran 1981

WARD ESTABLISHMENT AND SETUP

1. Clinic of 15 Khordad hospital	2002
2. Physiotherapy ward of 15 Khordad hospital	2002
3. Burn Wards of 15 Khordad hospital (Valedictorian)	2015

PUBLISHED BOOKS

1. Approach to burned patient (Dr. Badoohi, Dr. Hassanpour, Dr. Yamin, Dr. Moridi, Dr. Safavinia, Dr. Mohammadi) – <i>Administration of disease prevention and fighting</i>	2000
2. 360 Questions, A collection of developed tests from plastic surgery (Dr. Motamed, Dr Hassanpour, Dr. Kalantarhormozi) – <i>Andishmand Publications</i>	2011
3. The essential burn unit handbook (Dr. Hassanpour et al.) – <i>Shahid Beheshti University of Medical Sciences</i>	2013
4. 720 Questions test plastic surgery (Dr. Motamed, Dr. Hassanpour, Dr. Moosavizadeh, Dr. Mozaffari) – <i>Teimourzadehnovin Publications</i>	2014

2. Motamed S, Hassanpour S.E. *Lip cancers and the best reconstruction choices*. Congress of Iranian association of surgeons: Tehran, 24-28 may 1997
3. Hassanpour S.E, Motamed S. *Use of sural island flap for heel reconstruction*. Congress of Iranian association of surgeons: Tehran, 9-13 may 1998
4. Hassanpour S.E. *Reconstructive surgery for advanced tumors of scalp*. Congress of Iranian association of surgeons: Tehran, 22-26 may 1999
5. Hassanpour S.E. *Reconstruction of major forehead defects with sail flap from expanded tissue*. Congress on craniomaxillofacial plastic surgery. Tehran, 19-20 february 2000
6. Hassanpour S.E. *Flexor and extensor tendon injuries*. Compiled re-training program. Kashan, 29 april – 1 may 2000
7. Hassanpour S.E. *Use of groin flap extended to thoraco-lumbar region for upper limbs reconstruction*. Congress of Iranian association of surgeons: Tehran, 12-16 may 2001
8. Hassanpour S.E. *Simultaneous reconstruction of upper and lower lip and nose defects using cervical flap*. Congress of Iranian association of surgeons: Tehran, 12-16 may 2002
9. Hassanpour S.E, Ghorbani S, Arasteh A, Loghmani S.H, Mahdavi S. *Prevalence of hepatitis B and HIV infection in 15 year and older patients with hand trauma, referred to 15 Khordad medical center*. Congress of Iranian association of surgeons: Tehran, 10-14 may 2003
10. Hassanpour S.E, Motamed S, Daghighaleh H, Loghmani S.H. *Evaluation of the referral system for hand trauma patients*. Congress of Iranian association of surgeons: Tehran, 10-14 may 2003
11. Motamed S, Hassanpour S.E, Daghighaleh H, Loghmani S.H. *Malignant melanoma: trust to patient clinic or microscopic view*. Congress of Iranian association of surgeons: Tehran, 10-14 may 2003
12. Hassanpour S.E, khorvash B. *Evaluation of orbit trauma patients referred to 15 Khordad hospital between 2000-2003*. Congress of Iranian association of surgeons: Tehran, 8-12 may 2004
13. Hassanpour S.E, Shariati M. *New retroauricular flap for reconstruction of the nose*. Congress of Iranian association of surgeons: Tehran, 14-18 may 2004
14. Hassanpour S.E, Mohamadkhah N, Niazi F.A, Rostami K.H. *Correction and reconstruction of lip deformity due to facial palsy by temporal muscle myoplasty*. Congress of Iranian association of surgeons: Tehran, may 2005

15. Motamed S, Hassanpour S.E, Fadaee. *The comparison between different techniques in burn scar, scar contracture release in joints, and introducing a treatment method*. Congress of Iranian association of surgeons: Tehran, May 2005
16. Hassanpour S.E. *Suction assisted lipectomy*. Scientific and re-training conference of Iranian society of plastic surgeons. Tehran university of medical sciences, Imam Khomeini hospital, March 2006.
17. Hassanpour S.E, Rasti Ardakani. *Correction of nasal septal deviation by septal staggered incisions in septo-rhinoplasty of deviated nose*. Conference of facial plastic surgery and complications. Shahid Beheshti university of medical sciences, January 2007
18. Hassanpour S.E. *Muscle transfer for flexor injuries of upper limb*. Conference of tendon transfer. January 2007, Iran university of medical sciences
19. Hassanpour S.E. *Surgical treatment for scalp tumors*. Conference of new diagnostic and treatment techniques for common skin cancers. Tehran university of medical sciences, February 2007,
20. Hassanpour S.E, Yunesi. *Evaluation of etiology of scalp defects and the results of reconstruction in 15 Khordad hospital between 2005-2007*. Congress of Iranian association of surgeons: Tehran, may 2008
21. Hassanpour S.E, Rasti. *Reconstruction of simultaneous lip, cheek and nose defects by extended tubed cervical flap*. Congress of Iranian association of surgeons,2008
22. Hassanpour S.E. Panel of breast reconstruction after mastectomy,October 2006
23. Hassanpour S.E. *Lateral osteotomy*. Congress on rhinoplasty
24. Hassanpour S.E, Yavari. *Elbow flexors rehabilitation*. Conference of peripheral nerve and brachial plexus injuries.
25. Hassanpour S.E, Farzan. *Use of absorbable mesh plates and screws in correction of fronto-orbital deformities*. Congress of new techniques in facial plastic surgery ,2009
26. Hassanpour S.E. *Roundtable of brachial plexus*, Conference of peripheral nerve and brachial plexus injuries.
27. *Seyed Esmail Hassanpour , Seïied Mehdie Moosavizadeh Posterior scoring of the scapha as a refinement in aesthetic otoplasty*. Congress of Iranian association of surgeons: Tehran, 9-13 may 2009
28. *Seyed Esmail Hassanpour, Abdolnaser Farzan.,Evaluation of early results of the use of absorbable mesh plates and screws in correction of deformity of the orbit in craniosynostosis patients*. Congress of Iranian association of surgeons: Tehran, 9-13 may 2009
29. *Seyed Esmail Hassanpour,Panel of peripheral nerves*. Congress of Iranian association of surgeons: Tehran, 9-13 may 2009
30. Hassanpour S.E, Abdolzadeh. *Use of purse string suture in repairing fingertip amputation*. Symposium of hand trauma, Iranian society of plastic surgeon Association of Iranian physician in France, 18-19 April 2009
31. Hassanpour S.E, *Use of interdomal tip plasty graft in closed rhinoplasty*. Congress of advanced rhinoplasty, Iranian society of plastic surgeons, 12-13 November 2009
32. Hassanpour S.E. *Panel of tip plasty*, Congress of advanced rhinoplasty, Iranian society of plastic surgeons, 12-13 November 2009
33. Hassanpour S.E, Abdolzadeh. *Alar base and nostril sill augmentation in cleft lip patients*. Conference of fillers and prosthesis usage in plastic and aesthetic surgery. Shahid Beheshti university of medical sciences, January 2010
34. Hassanpour S.E, Shafiee. *Use of SMAS graft for naso-labial wrinkle in facelift*. Conference of fillers and prosthesis usage in plastic and aesthetic surgery. Shahid Beheshti university of medical sciences, January 2010
35. *Panel of Use of fillers in head and face*. Conference of fillers and prosthesis usage in plastic and aesthetic surgery. Shahid Beheshti university of medical sciences, January 2010
36. Hassanpour S.E. *Vertical plication of orbital septum for reduction of lower lid fat sacs*. Congress of Iranian association of surgeons: Tehran, may 2010
37. Hassanpour S.E. *Panel of facelift*. Congress of Iranian association of surgeons: Tehran, May 2010

38. Hassanpour S.E. *Choose of treatment plan in nasal defects*. 1st Conference of craniomaxillofacial trauma. Shahid Beheshti university of medical sciences, 15 Khordad hospital, 9 October 2010
39. Hassanpour S.E. *Caudal columellar graft in closed rhinoplasty*. Milad hospital. 26 September 2010
40. Hassanpour S.E. *Panel of lower and middle facelift*. Congress of Iranian association of surgeons: Tehran, May 2011
41. Hassanpour S.E, Tarahomi M.R. *A new technique in trigonocephaly surgery*. Congress of Iranian association of surgeons: Tehran, May 2011
42. Hassanpour S.E. *New technic for sural nerve graft harvesting*. Congress of Iranian association of surgeons: Tehran, May 2011
43. Hassanpour S.E, Rueentan. *Comparison of three different methods of dressing for partial thickness skin graft donor site*. Congress of Iranian association of surgeons: Tehran, May 2011
44. Hassanpour S.E. *Panel of congenial craniomaxillofacial abnormalities (member of panel)*. Congress of Iranian association of surgeons: Tehran, May 2011
45. Hassanpour S.E. *Panel of facelift*. Hazrat Fatemeh hospital. 20-21 January 2011
46. Hassanpour S.E. *Panel of facial fat sculpturing*. Imam Khomeini hospital, Imam hall. February 2012
47. Hassanpour S.E, Tarahomi MR, Bakhtiari. *Use of chromic sutures in interalar region in nasal base surgery*. International congress on advanced rhinoplasty. May 2011
48. Hassanpour S.E. *Roundtable of ear reconstruction*. Congress of Iranian association of surgeons: Tehran, May 2012
49. Hassanpour S.E. *Roundtable of osteotomy in rhinoplasty and its revolution*. The 6th Congress on advanced rhinoplasty, Imam Khomeini hospital, Imam hall, 15 November 2012
50. Hassanpour S.E. (Member of) Board of directors of the 6th Congress on advanced rhinoplasty, Imam Khomeini hospital, Imam hall, 15 November 2012
51. Hassanpour S.E. (Member of) Board of directors of the International conference of burn, research center of burn, Iran university of medical sciences. March 2013
52. Hassanpour S.E. *Roundtable of craniosynostosis*. 37th Congress of Iranian association of surgeons: Tehran, May 2013
53. Hassanpour S.E. *Panel of soft tissue in hand emergencies (head of panel)*. Congress of Iranian association of surgeons: Tehran, May 2013
54. Hassanpour S.E. *The 1st comprehensive scientific conference of medical practitioners, title: plastic surgery updates (blepharoplasty)*, Islamic Republic of Iran Medical Council, 29 January 2014
55. The symposium of approach to the patients with acute burn injury (member of panel), Modarres hospital. 20 February 2014
56. The 3rd national conference of burn (member of panel), Razi conference hall, 27-28 February 2014
57. Hassanpour S.E. *Roundtable of hand and microscopic surgery (case problem)*, Congress of Iranian association of surgeons: Tehran, May 2014
58. Yearly congress of Iranian society of plastic surgeons, (member of) board of directors. May 2014
59. Hassanpour S.E. *Comparison between topical EMLA and Capsasin on improvement of random flap (animal model)*, Yearly congress of Iranian society of plastic surgeons, May 2015
60. Hassanpour S.E. *Roundtable of repair of leg injuries*, Yearly congress of Iranian society of plastic surgeons, May 2015
61. Hassanpour S.E. *Roundtable of reconstruction of soft tissue of head and face*. Congress of Iranian association of surgeons: Tehran, 10 May 2016
62. Hassanpour S.E. *Reconstruction of congenital complete nose defect (new method)*, Congress of Iranian association of surgeons: Tehran, 11 May 2016
63. Hassanpour S.E. *Endoscopic brow lift: Video presentation*. Congress of Iranian association of surgeons: Tehran, 12 May 2016

64. Hassanpour S.E. *Assessment of injection of epinephrine in various concentrations on bleeding from surgical incisions (animal study)*. Congress of Iranian association of surgeons: Tehran, 12 May 2006
65. Hassanpour S.E. *Congenital pseudo arthrosis of the tibia treated by transfer of vascularized graft of ipsi lateral fibula* . Iranian Association of Surgeons, Tehran, 10-14 May 2003.
66. Hassanpour S.E, Shahverdiani M. *Basal cell carcinoma of scalp in patients with history of childhood therapeutic radiation: a retrospective study and comparison to no irradiated patients*; Congress of Iranian association of surgeons, May 2006
67. Hassanpour S.E. *Expansion – advancement for post burn Alopecia of scalp a new technique* . Congress of Iranian association of surgeons, May 2012
68. Hassanpour S.E. *Treatment of post burn contracture of elbow by Bipod: clefts flap from scar tissue* . Iranian association of surgeons (hand surgery section) – May 2012
69. Hassanpour S.E. *Roundtable of mastopexy, current concept in augmentation* . 6th congress of body contouring – 14,15 February 2013
70. Hassanpour S.E. *Roundtable of patient safety in body contouring* . 6th congress of body contouring . 14,15 February 2013
71. Hassanpour S.E. *Dog ear correction of scalp transposition flaps, a new technique* . 37th congress of Iranian association of surgeons, May 2013
72. Hassanpour S.E. *panel of no man's land* – congress of Iranian association of surgeons, May 2013
73. Hassanpour S.E. Video presentation on clinical outcomes and satisfaction after endoscopic brow lift. Periorbital rejuvenation congress, 15-17 January 2014
74. Hassanpour S.E. *Comparison of the effect of spreader graft and autospreader flap*, Yearly congress of Iranian society of plastic surgeons, May 2015
75. Hassanpour S.E. *panel of no man's land* . congress of Iranian association of surgeons, May 2013
76. Hassanpour S.E. *use of staggered osteotomy technique of frontal bones in treatment of trigonocephaly* . congress of Iranian association of surgeons, 9 May 2017.
77. Hassanpour S.E. *video presentation: a new technique in the treatment of plagiocephaly* . congress of Iranian association of surgeons, 6 May 2018.
78. Hassanpour S.E. *Prevention of vascular thrombosis with Botox in rat tissue trauma* . congress of Iranian association of surgeons, 6 May 2018.
79. Member of the surgical complications panel (prevention and treatment of general and specific complications in plastic and cosmetic surgeries) – congress of Iranian association of surgeons, 7 May 2018
80. Hassanpour S.E. Member of the Board of Directors of Compartment Syndrome, Ischemia, and Volkman's Contracture - Yearly congress of Iranian society of plastic surgeons, May 2018.
81. Hassanpour S.E. Member of the Board of Directors of Yearly congress of Iranian society of plastic surgeons, June 2019.
82. Hassanpour S.E, Rouientan A., Azari A., Soroush M. *a report on the reconstruction of a bone defect of the lower jaw, about 8 cm long, in the central mandibular region* . Yearly congress of Iranian society of plastic surgeons, June 2019.
83. Hassanpour S.E., Rouientan A., Ayatollahi S. *Reconstruction of the upper lip and columella using TE of the neck* . Yearly congress of Iranian society of plastic surgeons, June 2019.
84. Hassanpour S.E. *Member of the Congenital Cranial Anomalies Panel* . Yearly congress of Iranian society of plastic surgeons, June 2019.
85. Hassanpour S.E., Rouientan A., Hosseini A. *Examining the results of severe hidradenitis surgery with graft and flap* . Yearly congress of Iranian society of plastic surgeons, June 2019.
86. Hassanpour S.E., Bakhshi R. *a modified Z. osteotomy for fronto-orbital advancement in plagiocephaly* . Yearly congress of Iranian society of plastic surgeons, June 2019.

1. Survey of the effect of prophylactic use of topical oleic acid on the survival of the rabbit's random skin flap.
2. Introducing the Most suitable method in management of partial thickness skin graft Donor sites.
3. one-stage reconstruction of flexor digitorum profundus , using flexor digitorum superficialis.
4. Accuracy of the preoperative examination in laceration of distal part of the forearm.
5. Comparison of counteractubex and silicone gel in prevention of hypertrophic scar due to surgery of hand and forearm
6. Comparison between topical EMLA and Capsasin on improvement of coetaneous flap ischemia in rats.
7. Comparison of two donor site grafting dressing methods routine method and dressing with separator layer.
8. Comparison of Aesthetic and Functional Outcomes of Spreader Graft and Autospreader Flap in Rhinoplasty.
9. Evaluation of thrombosis by local botulinum toxin A in traumatized crush injury of rat model.
10. A survey of the surgical correction results of uniconoralsynostoticplagiocephaly in the patients referring to Mofid Hospital in 1384 – 1394
11. Local Botulinum Toxin A impression on traumatized digits
12. The effect of Aromatherapy with essential oil of lavender on anxiety of patients undergoing hand and upper extremity reconstructive surgery
13. Assessment Of Subcutaneous Injection Of Epinephrine in various Concentrations on Bleeding From Surgical incision In Rat.
14. Side to side nerve repair (H graft) distal to the site of injury for improvement of neurotization process in peripheral high nerve injury.
15. Evaluation of accuracy of Preoperative examination of flexor tendons in zone 4 and 5 of hand injuries. (For receiving board certification)
16. Assessment of canon indexes before and after rhinoplasty and its relation to post surgery changes and patients satisfaction. (For receiving board certification)
17. Study of indications for alar base resection and patient satisfaction in 15 Khordad Tehran hospital since 1389-1391, Ghezelchi
18. Assessment of coincidence of ideal nose parameters before surgery and comparison with post-surgery obtained parameters and its relation with patients satisfaction. 2009-2010
19. Evaluation of relationship between the interest styles of 5 personal attributes, birth arrangements and aesthetic rhinoplasty. (For receiving master degree). Guide professor: Shahla Pakdaman, Mohamadrezah Hassanzadeh Tavakoli. Student: Hossein Zirak Olia. Winter 2010
20. Epidemiologic assessment of relationship between human and environmental factor in tendency to rhinoplasty in east Tehran.
21. Assessment of subcutaneous injection of epinephrine in various concentrations on bleeding from surgical incision in rat, Amir Molaei.
22. Use of chromic sutures in interalar region in nasal base surgery. 2011
23. Evaluation of the results of routine surgical techniques for returning elbow flexion in patients with brachial plexus traumatic injuries in 15 Khordad hospital between 2005-2009
24. Comparison between columella scars of the stair-step and inverted V incisions in open rhinoplasty. 2011
25. Assessment of the results of spinal accessory nerve transfer to supraclavicular nerve using posterior approach in patients with brachial plexus injuries in 15 Khordad hospital. 2012-2013
26. Determine degree of nasal deviation and need to corrective cartilage graft at Iranian patients for aesthetic rhinoplasty at 15 Khordad hospital, Dr. Amali Amiri
27. Evaluation of result complication and satisfaction of endoscopic brow lift between 1392-1393 in 15 Khordad hospital, Dr. Norian
28. comparison of two donor site grafting dressing methods routine method and dressing with separator layer, Dr Jafari

29. evaluation of thrombosis by local botulinum toxin A in traumatized crush injury of rat model, Dr Daryani
30. A survey of the surgical correction results of unicoronal synostotic plagiocephaly in the patients referring to Mofid Hospital in 1384 – 1394, Dr Abasnejad
31. Evaluation of treatment results of controlled early active mobilization after primary tendon repair of finger flexors in patients referring to Tehran's 15 Khordad hospital in 2014. Ramin Farzam.
32. Comparison between the effects of using fibroblasts and fat obtained stem cells in recovery of acute deep burn in rats. Hojjat Molaei Gorchinghaleh. 2015-2016
33. Determine degree of nasal deviation and need to corrective cartilage graft at Iranian patients for aesthetic rhinoplasty at 15 Khordad hospital from Sep 2012, Porahmadian
34. Comparison of Aesthetic and Functional Outcomes of Spreader Graft and Autospreader Flap in Rhinoplasty, Dr Heidari.
35. Pulmonary artery pressure in patients with markedly deviated septum, candidate for septorhinoplasty, Dr Mohsen Fadeai
36. Implantation of the spreader graft on the convex side is superior to the use of spreader graft on the concave side in patients with deviated nose undergoing open septorhinoplasty, Dr Majid Nadafkermani
37. Evaluation of staggered osteotomy in surgical treatment of trigonocephaly, Dr Mohammadreza Hadi
38. A study of etiologies of facial paralysis and therapeutic measures performed in operated patients in 15 Khordad hospital, Tehran, since 1374 to 1385
39. In partial fulfillment of the requirements for the degree specialist (post specialist) in field of study: plastic & reconstructive surgery, Hojjat Molaei Gorchinghaleh
40. Evaluation of treatment results of controlled early active mobilization after primary tendon repair of finger flexors in patients referring to Tehran's 15 Khordad Hospital in 2014, Ramin Farzam
41. Comparison of two Methods of Flexor Tendon Retrieval in Zone II: Hemi Kessler Core Suture Tendon Retrieval and the Use of Long Loop of Nylon Suture without Pulling out the Tendons from the Sheath, Dr Karbaleekhani
42. Evaluation of the effect of vitamin A supplementary injection in survival of helical composite graft in desert rats. Saeed Abdollahi. 2014-2015
43. Investigating the causes of facial paralysis and treatment methods for patients admitted for operation in Tehran's 15 Khordad Hospital from 1995-2006; Dr. Arash Beyraghi Toosi 2008-2009
44. Facial anthropometric analysis in patients applying for rhinoplasty referring to the hospital to investigate facial beauty problems; Dr. Iraj Pourahmadian, 2014-2015
45. Investigating spirometric changes before and after unilateral phrenic nerve cut; Dr. Mohammad Khodayari
46. Investigating complications and satisfaction of endoscopic browlift patients in 2013-2014 in 15 Khordad Hospital; Dr. Mohammad Mahdi Noorian
47. Investigating the therapeutic results of rhinoplasty with two methods of cephalic trim and sliding flap for lower lateral cartilages in patients referred to 15 Khordad hospital; Dr. Mahmood Nazemian, 2016.
48. Investigating the effect of oxygen therapy on tourniquet pain in patients with hand trauma referred to 15 Khordad hospital in 2015-2016; Dr. Kambiz Izadpanah, 2017.
49. Investigating the effect of nasal packing on the amount of edema and ecchymosis around the eyes and subconjunctival bleeding after septorhinoplasty surgery, Dr. Baqaei, 2016
50. Investigating the effect of LLC cartilage flap sliding instead of cephalic trim in improving nasal aesthetics and respiratory function in patients considered as candidates for rhinoplasty surgery in 15 Khordad hospital from 2008 to 2019; Dr. Ali Rahimian, 2019.
51. Examination of forehead and upper face rejuvenation (lift) with temporal transblepharoplasty approach in 15 Khordad Educational and Therapeutic Medical Center in 2018-2019; Dr. Shahin Behjoo, 2019.
52. Investigating the effect of DMSO (dimethyl sulfoxide) topical solution and injectable dexamethasone in reducing ecchymosis and edema around the eyes after septorhinoplasty; Dr. Alireza Hosseini Sianaki, 2019.
53. Investigating the results of two-stage microneuromuscular gracilis muscle transplantation in patients with unilateral facial nerve palsy in 15 Khordad hospital; Dr. Ali Fattahi, 2020.

54. Evaluation of the use of absorbable threads for bone fixation in coniosynostosis surgery in Mofid hospital and its comparison with absorbable screws and plates from 2019 to 2021; Dr. Maryam Nobakht Rad, 2021.
55. A one-year study of the results of cleft palate repair surgeries in 15 Khordad hospital, Tehran; Dr. Roohollah Zarepour, 2021.
56. Investigating the consequences and effectiveness of Bone Shaving Suturectomy and Pericranial Flap surgery in the correction of trigonocephaly: a cross-sectional study; Dr. Rastim Mohammadi Mofrad, 2022.
57. Investigating the effect of using tendon packaging with amniotic membrane on the final results of zone 6 extensor tendon repair; Dr. Hojjat Layegh, 2022.
58. Comparison of results and photographic findings and satisfaction after rhinoplasty in patients with or without maxillary and mandibular discrepancy; Dr. Amin Rezazadeh, 2022.

VIRTUAL TRAINING PROGRAMS

1. Reconstruction of nasal defects - 551139581

IN PERSON PROGRAMS OF CONTINUOUS EDUCATION OF THE MEDICAL COMMUNITY (LECTURES)

1. Lecture on rhinoplasty– 2012 November 17-19- Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
2. Lecture on plastic and cosmetic surgery of the head and face – 2012 February 2,3 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
3. Lecture at the 36th Annual Scientific Congress of the Society of Iranian Surgeons – 2012 May 5-9 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
4. Lecture on body contouring– 2013 February 14-15 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
5. Lecture on preorbital– 2014 January 15-17 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
6. Lecture in Latest Advances in Surgery Conference – 2014 January 29 – The Islamic Republic of Iran Medical Council, Tehran
7. Lecture at the 38th Annual Scientific Congress of the Iranian Association of Surgeons – 2014 May 10-15 – Iranian Association of Surgeons, Tehran
8. Lecture at the 39th Annual Scientific Congress of the Iranian Association of Surgeons – 2015 May 16-20 – Iranian Association of Surgeons, Tehran
9. Lecture on facial nerve injuries and new treatment methods – 2015 November 28 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
10. Lecture on brachial plexus injury in adults – 2016 January 9 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
11. Lecture on pan-fascial fractures: treatment methods – 2016 January 23 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
12. Lecture on neurofibromatosis of the cheek and periorbital region – 2016 February 20 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
13. Lecture on neck burn – 2015 December 26 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
14. Lecture at the 40th Annual Scientific Congress of the Iranian Association of Surgeons – 2016 May 9-12 – Iranian Association of Surgeons, Tehran
15. Lecture on nose reconstruction – 2016 April 16 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
16. Lecture on review and comparison of treatment methods in cleft palate – 2016 December 3 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran

17. Lecture on rhinoplasty – 2016 November 17- Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
18. Lecture on burn care – 2016 November 14 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
19. Lecture on cleft lip and palate examination – 2016 February 6 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
20. Lecture on ear reconstruction in congenital deformities – 2017 January 28 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
21. Lecture on nerve compression treatment methods of hand and upper limb – 2017 March 4 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
22. Lecture on various types of facial clefts and Cranio-Maxillofacial surgeries – 2017 April 15 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
23. Lecture on periorbital surgery – 2017 October 14 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
24. Lecture on lower limb defects reconstruction – 2017 July 8 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
25. Lecture on laser application in scar prevention and treatment – 2017 December 2 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
26. Lecture on medical equipment and consumables in plastic and reconstructive surgeries – 2017 June 29 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
27. Lecture on wound care – 2017 October 7 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
28. Lecture on face and neck lift and endoscopic lift– 2018 January 24 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
29. Lecture on nerve transfer in peripheral nerve lesions – 2018 March 3 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
30. Lecture on forensic medicine and informed consent protocol – 2018 January 29 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
31. Lecture on craniofacial surgery – 2018 May 12 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
32. Lecture on treatment management of extensor tendon injuries – 2019 February 16 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
33. Lecture on restorative emergencies – 2019 February 19 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
34. Lecture at the 43rd Annual Scientific Congress of the Iranian Association of Surgeons – 2019 June 8 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
35. Lecture on restorative emergencies – 2019 June 8 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
36. Lecture on rhinoplasty – 2019 October 12 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
37. Lecture on risk management and patient safety – 2017 September 20
38. Lecture in the seminar on disorders of the upper limbs – 2019 August 22 –Learned Society of Hand Surgeons of Iran
39. Lecture on the initial approach of diagnosis, treatment and referral in plastic surgery – 2019 September 20 –Learned Society of General Physicians of Iran
40. Lecture on Orthognathic surgery – 2020 January 18 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
41. Lecture on dos and don'ts in breast prosthesis and its role in patients with breast cancer – 2021 January 11

42. Lecture on cleft lip and palate – 2021 February 15 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
43. Webinar lecture on nasal airway problems in primary rhinoplasty – 2021 April 15 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
44. Webinar lecture on Tip Plasty and alar base surgery – 2021 May 20 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
45. Webinar lecture on secondary rhinoplasty – 2021 July 1 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran

IN PERSON PROGRAMS OF CONTINUOUS EDUCATION OF THE MEDICAL COMMUNITY (ATTENDANCES)

1. Attendance to lecture on body contouring– 2011 October 7 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
2. Attendance to lecture on advanced rhinoplasty – 2011 November 17 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
3. Attendance to burn conference – 2012 March 7 - Tehran University of Medical Science (TUMS), Tehran
4. Attendance to lecture on plastic and cosmetic surgery of the head and face – 2012 February 2,3 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
5. Attendance to lecture at the 36th Annual Scientific Congress of the Society of Iranian Surgeons – 2012 May 5-9 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
6. Attendance to lecture on intrinsic deformities – 2012 June 22 - Learned Society of Hand Surgeons of Iran, Tehran
7. Attendance to lecture on reconstruction of the injured thumb – 2012 December 14 - Learned Society of Hand Surgeons of Iran, Tehran
8. Attendance to the 6th seminar on advanced rhinoplasty – 2012 November 15 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
9. Attendance to lecture on body contouring– 2013 February 14,15 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
10. Attendance to lecture at the 37th Annual Scientific Congress of the Society of Iranian Surgeons – 2013 May 4-8 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
11. Attendance to lecture on plastic and aesthetic surgery – 2013 May 9 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
12. Attendance to lecture on periorbital surgery – 2013 May 15-17 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
13. Attendance to lecture on the treatment of acute burn patients – 2014 February 20 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
14. Attendance to the third national burn conference – 2014 February 27 – Iran University of Medical Sciences (IUMS), Tehran
15. Attendance to lecture at the 38th Annual Scientific Congress of the Society of Iranian Surgeons – 2014 May 10-14 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
16. Attendance to the 4th national burn conference – 2015 March 17-18 – Iran University of Medical Sciences (IUMS), Tehran
17. Attendance to Human resource management in medical centers conference – 2014 August 12 – The Islamic Republic of Iran Medical Council, Tehran
18. Attendance to conference on latest technological advances in health– 2014 August 13 – The Islamic Republic of Iran Medical Council, Tehran
19. Attendance to lecture on the Islamic Republic of Iran Medical Council’s resources management – 2014 August 12 – The Islamic Republic of Iran Medical Council, Tehran

20. Attendance to the 8th advanced rhinoplasty conference – 2014 October 22 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
21. Attendance to Faculty empowerment workshop (statistical methods) – 2014 December 29 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
22. Attendance to lecture at the 38th Annual Scientific Congress of the Society of Iranian Surgeons – 2015 May 16-20 - Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
23. Attendance to the 11th international conference of breast cancer – 2016 February 24-26 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
24. Attendance to lecture on facial nerve injuries and new treatment methods – 2015 November 28 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
25. Attendance to lecture on breast reconstruction – 2015 December 19 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
26. Attendance to lecture on brachial plexus injuries in adults – 2016 January 9 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
27. Attendance to lecture on Panfacial bone fractures – 2016 January 23 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
28. Attendance to lecture on neck burn – 2015 December 26 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
29. Attendance to lecture on laser application in plastic surgery – 2015 December 17 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
30. Attendance to lecture at the 40th Annual Scientific Congress of the Iranian Association of Surgeons – 2016 May 9-12 – Iranian Association of Surgeons, Tehran
31. Attendance to lecture on nose reconstruction – 2016 April 16 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
32. Attendance to lecture on Ankylosis of the temporomandibular joint – 2016 May 28 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
33. Attendance to lecture on orthodontics and surgical techniques for bilateral and unilateral cleft lips – 2016 October 1 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
34. Attendance to lecture on review and comparison of treatment methods in cleft palate – 2016 December 3 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
35. Attendance to lecture on rhinoplasty – 2016 November 17,18- Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
36. Attendance to lecture on ear reconstruction in congenital deformities – 2016 January 29 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
37. Attendance to lecture on nerve compression treatment methods of hand and upper limb – 2017 March 4 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
38. Attendance to lecture on various types of facial clefts and Cranio-Maxillofacial surgeries – 2017 April 15 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
39. Attendance to lecture on lower limb defects reconstruction – 2017 July 8 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
40. Attendance to lecture on periorbital surgery – 2017 October 14 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
41. Attendance to lecture on laser application in scar prevention and treatment – 2017 December 2 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
42. Attendance to the International Congress of Top Plastic and Aesthetic Surgeons – 2017 October 24 - Shahid Beheshti University of Medical Sciences (SBMU), Tehran
43. Attendance to lecture on body contouring– 2017 October 26 - Shahid Beheshti University of Medical Sciences (SBMU), Tehran
44. Attendance to one-day conference on lower blepharoplasty and lift – 2017 November 30 - Shahid Beheshti University of Medical Sciences (SBMU), Tehran

45. Attendance to face and neck lift and endoscopic lift – 2018 February 3 - Shahid Beheshti University of Medical Sciences (SBMU), Tehran
46. Attendance to the 2nd conference on laser application in plastic surgery – 2018 January 31 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
47. Attendance to the 2nd conference on the use of fillers and neurotoxin injections in the face – 2018 February 1. Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
48. Attendance to one-day conference on nerve transfer in peripheral nerve lesions – 2018 March 3 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
49. Attendance to the International Congress of Top Plastic and Aesthetic Surgeons – 2017 November 11
50. Attendance to lecture on face and body contouring updates – 2017 October 26
51. Attendance to lecture at the 42nd Annual Scientific Congress of the Iranian Association of Surgeons – 2018 May 5
52. Attendance to one-day conference on craniofacial surgery – 2018 May 12 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
53. Attendance to one-day conference on perspectives of plastic surgery in congenital vascular disorders (hemangioma - vascular malformation) – 2018 October 13 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
54. Attendance to one-day conference on of tissue deficiencies in the lips – 2018 July 28 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
55. Attendance to lecture on treatment management of extensor tendon injuries – 2019 February 16 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
56. Attendance to lecture on Filler and Botox injections – 2019 May 4 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
57. Attendance to lecture at the 43rd Annual Scientific Congress of the Iranian Association of Surgeons – 2019 June 8
58. Attendance to lecture on rhinoplasty – 2019 October 12 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
59. Attendance to lecture on Orthognathic surgery – 2020 January 18 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
60. Attendance to lecture on dos and don'ts in breast prosthesis and its role in patients with breast cancer – 2021 January 11 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
61. Attendance to lecture on cleft lip and palate – 2021 February 15 – Shahid Beheshti University of Medical Sciences (SBMU), Tehran
62. Attendance to lecture on Current approach in forehead, face and neck lift and blepharoplasty – 2021 August 20 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
63. Attendance to webinar lecture on nasal airway problems in primary rhinoplasty – 2021 April 15 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
64. Attendance to webinar lecture on Tip Plasty and alar base surgery – 2021 May 20 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
65. Attendance to webinar lecture on secondary rhinoplasty – 2021 July 1 – Learned Society of Plastic and Aesthetic Surgeons of Iran, Tehran
66. Attendance to training course on “Blood and blood products; monitoring system for blood and blood products consumption (hemovigilance) for doctors” – 2022 January 5 – Blood Transfusion Organization of Tehran Province, Tehran

APPROVED RESEARCH PROJECTS

1. Investigating the preventive effect of topical oleic acid on rabbit random skin flap survival; project manager: Hassanpour S.E, Rostami Kh. et al.; project partners: Azarghashb E.2008
2. Investigating the effect of dipenicilamine in reducing the production of scar tissue in the wound healing process; project manager: Moosavizadeh SM, Rasti M.; project partners: Hassanpour S.E., Motamed S.2008
3. Providing the most suitable method of dressing and dealing with the donor site of partial-thickness skin grafts project manager: Hassanpour S.E.; project partners: Fadaei A.2008
4. One-step reconstruction of deep flexor tendon using superficial flexor tendon; project manager: Hassanpour S.E.; project partners: Yavari M., Moosavizadeh SM., Ziaei A., Arasteh E., Okhovatian F.2009
5. Investigating the accuracy of preoperative physical examination in distal forearm injuries (in progress); project manager: Hassanpour S.E.2010
6. Comparison of the effect of topical use of ELMA and Caspian in improving ischemia of rat skin flaps - final report 2015; project manager: Hassanpour S.E.; project partners: Molaei H., Azargashb E., Hamraz SE., Barani A.2014
7. Investigating the use of the separation layer of partial-thickness skin graft donor site dressing compared to the usual method; project manager: Hassanpour S.E.; project partners: Jafari M., Azarghashb E.2014
8. Examining the therapeutic results of rhinoplasty by two methods of spreader graft and autospreader in patients referred to 15 Khordad hospital in 2012 to 2014 – 2014-2015.
9. Investigating the effect of subcutaneous injection of epinephrine in different concentrations on the amount of bleeding from surgical incisions in rats; project manager: Hassanpour S.E.; project partners: Molaei A.2015
10. Investigating nerve repair in the form of a side to side graft (H graft) distal to the site of the nerve lesion to accelerate the process of neurotization, final report 2015; project manager: Mozaffari N.; project partners: Talaeizadeh Kh., Hassanpour S.E., Yavari M., Mozaffari M., Hashemi M., Azargashb E., Moosavizadeh SM.2015
11. Evaluation of the effect of using botulinum toxin A on the amount of thrombosis in rat traumatized artery – final report 2016; project manager: Hassanpour S.E.; project partners: Noruzinia M.2015
12. Investigating the results of unicoronal synostotic plagiocephaly correction in patients referred to Mofid hospital in 2005-2015 – Final report 2018; project manager: Hassanpour S.E.; project partners: Abbasnejad M., Eslami G.2016
13. Evaluation of the effect of using topical botulinum toxin A on the amount of preservation of traumatized fingers of patients' hands – final report 2019; project manager: Hassanpour S.E.; project partners: Noruzinia M.2016
14. Comparison of the effect of aromatherapy with lavender essence on the anxiety of patients who are candidates for upper extremity reconstructive surgery – final report 2017; project manager: Hassanpour S.E.; project partners: Roohi E., Jafarian H., Alyari M., Shariatimoghadam M., Eslami G.2016
15. Examining the results of using the Fascia lata graft in multiple and long extensor tendon defects of the fingers in zone 6 – final report 2019; project manager: Yavari M.; project partners: Hassanpour S.E., Alhosseini., Shahrokshahraki S., Azarghashb E.2017
16. Comparing the effects of silicone gel and contractubex in preventing hypertrophic scars caused by surgical wounds of the forearm and hand – final report 2020; project manager: Hassanpour S.E.; project partners: Farnoosh N., Alyari M., Azargashb E.2017
17. Investigating the effect of topical and oral tamoxifen on adhesions after rabbit flexor tendon surgery – final report 2018; project manager: Yavari M.; project partners: Hassanpour S.E., Soleymanzadeh P., Alavi M.2018
18. Designing a registration system for patients with brachial plexus injury in 15 Khordad hospital (in progress); project partners: Shahrokshahraki S., Yavari M. project partners: Hassanpour SE.2019
19. Comparing the results of side-to-side transfer of the median nerve to the ulnar nerve (H graft) with the transfer of the terminal branch of the anterior interosseous nerve to the deep branch of the ulnar nerve and the transfer of the sensory nerve of the third finger to the superficial branch of the ulnar nerve in the

- treatment of proximal ulnar nerve injury (in progress); project partners: Yavari M. project partners: Hassanpour S.E.2020
20. Examining the results of free gracilis flap for hemifacial paralysis using the comparative criteria of the angles between the fixed and movable facial area in 15 Khordad hospital (in progress); project manager: Hassanpour S.E., Fattahi A.; project partners: Moosavizadeh SM., Shekarriz R.2021
 21. A comparative study of the results of percutaneous surgery with the help of ultrasound and open surgery for the treatment of trigger finger with multiple involvement (in progress); project manager: Yavari M., Modarresi SM. ; project partners: Hassanpour S.E., Moosavizadeh SM., Tabrizi A., Saffar M.2020
 22. Investigating the effect of the covid-19 pandemic on the number and variety of plastic and reconstructive surgeries and the training program of flowship students in 15 Khordad Educational and Therapeutic Medical Center – Final report 2021; project manager: Kalantar Hormozai A., Habibzadeh Z. ; project partners: Hassanpour S.E., Moosavizadeh SM., Yavari M., Motamed S., Mozaffari N., Mohammadsadeghi Sh., Rouinetan A., Rostami Kh., Niazi F., Shahrokhshahraki S.2020
 23. Investigating the effect of using tendon packing with amniotic membrane on the final results of extensor tendon repair in zone 6 (in progress); project manager: Hassanpour S.E., Layegh H. ; project partners: Yavari M.2022
 24. Evaluation of complications and outcomes of non-syndromic scaphocephaly treatment using floating bone flaps in 2022 (in progress); project manager: Kalantar Hormozai A., Sadeghi M. ; project partners: Hassanpour S.E., Bahardoost M., Moradi E.2022

LEADERSHIP AND INVOLVEMENT

1. Supervisor of health center in Eyvan; since 1981
2. Supervisor of Natanz health network; since 1982
3. Trusted doctor of Natanz health network; since 1982
4. Head of the surgery department of Ali Ibn Abitaleb hospital; since 1987
5. Member of Rafsanjan Social Security Organization Commission; since 1992
6. Director of the surgery department of Rafsanjan University of Medical Sciences; since 1992
7. Member of the Medical Commission of Rafsanjan University of Medical Sciences; since 1992
8. Head of the Social Security Medical Commission, since 1993
9. Cooperation with the National Burn Committee; since 1998
10. Head of the clinic and emergency department of 15 Khordad hospital; 1998-2008
11. Member of the specialized committee of plastic and reconstructive surgery department; since 1998
12. Head of the mortality committee of the 15 Khordad educational and therapeutic medical center; since 1999
13. Supervisor of the 15 Khordad educational and therapeutic medical center; since 1999
14. Head of the 15 Khordad educational and therapeutic medical center; 1999-2003
15. Evaluation office liaison in training deputy of university; since 1999
16. Member of the research committee of the group; since 1999
17. Member of the university's treatment council' since 1999
18. Member of the specialized committee of the group; since 2000
19. National forensic medicine expert; since 2001
20. Member of the national committee of home accidents; since 2000
21. Member of the guidance and information headquarters of medical affairs of the university; since 2002
22. Vice chancellor of training deputy of the hospital; since 2004
23. Member of various hospital committees; since 1995
24. Cooperation with the Center for Disease Management; since 2004

25. Member of Specialized Reconstructive Surgery Committee of the Supreme Medical Council of the Ministry of Health; since 2004
26. Member of the Specialized Commission of the Central Forensic Medicine Headquarters; since 2004
27. Member of the Board of Directors of the Medical System Organization; since 1991
28. Participation in the lesson plan and teaching method workshop; 1996
29. Participation in teaching methodology workshop; 1997
30. Participation in research method workshop; 1998
31. Participation in curriculum planning workshop; 1998
32. Member of the editorial board of plastic and reconstructive surgery journal; since 1998
33. Reviewer articles in Pajoohandeh journal; 1999
34. Participation in Internet and MEDLINE training workshop; 2000
35. Participation in the workshop on organizational approach to errors and mistakes; 2002
36. Participation in the workshop of student evaluation methods; 2002
37. Participation in the workshop of writing and presenting medical articles; 2003
38. Participation in the workshop of "Teaching Methods"; 2004
39. Participation in the workshop of fortuitous events; 2004
40. Participation in the training workshop of GDL;
41. Secretary of the Congress of Plastic Surgery; 1999
42. Permanent member of Iranian Surgeons Society; 2001
43. Member of the Revision Commission of the Medical System Organization
44. Medical system organization expert
45. Secretary of the conference on facial plastic surgery and its complications; 2006
46. Secretary of the Fortuitous Events Committee of 15 Khordad hospital;
47. Head of the plastic and reconstructive surgery department of 15 Khordad hospital; 2008
48. Specialized expert in the field of plastic surgery in the office of the public prosecutor and law enforcement boards of the medical system organization; 2008
49. Member of the Supreme Medical Council of the Ministry of Health; 2008
50. Participation in the course of "basic concepts of information technology" at the Information and Communication Technology Center of Shahid Beheshti University of Medical Sciences
51. Participation in the course of "information and communication" at the Information and Communication Technology Center of Shahid Beheshti University of Medical Sciences
52. Participation in the course of "computer use and file management" at the Information and Communication Technology Center of Shahid Beheshti University of Medical Sciences;
53. Reviewer of Iran Scientific Quarterly Journal of Surgery
54. Reviewer of articles of the Iranian Society of Surgeons
55. Member of the specialized medical commissions of affiliated fields in the Forensic Medicine Organization
56. Member of the International Association of Plastic and Cosmetic Surgeons
57. Educational and research deputy of 15 Khordad hospital; since 2009
58. Reviewer of articles in the Journal of "Research in Medicine", Faculty of Medicine, Shahid Beheshti University of Medical Sciences;
59. Member of the specialized plastic surgery committee of the Supreme Medical Council of the Ministry of Health, Treatment and Medical Education; 2010
60. Member of the university educational festival committee; 2010

61. Member of the Educational Council of Shahid Beheshti University of Medical Sciences; 2009
62. Member of the 15 Khordad hospital emergency services improvement headquarters; 2010
63. Secretary of the first maxillofacial trauma conference, Shahid Beheshti University of Medical Sciences, Department of Plastic Surgery; 15 Khordad hospital;
64. Member of the Scientific Committee of the Maxillofacial Traumas Conference; October 2010
65. Member of the Scientific Committee of the 4th Advanced Rhinoplasty Congress - Iranian Plastic and Aesthetic Surgeons Association; Milad hospital; October 2010
66. Member of the Research Council of the Clinical Research Development Unit of the 15 Khordad Medical Education Center; 2007
67. Member of the International Relations Committee of the Plastic and Aesthetic Surgeons Association of Iran; 2007
68. Specialized expert in the field of reconstructive and plastic surgery in the prosecutor's office and the police boards of the medical system organization; 2006
69. Member of the specialized plastic surgery committee of the Supreme Medical Council of the Ministry of Health; 2007
70. Member of the scientific committee of the fifth educational festival of the university; 2009
71. Member of the specialized plastic surgery committee of the Supreme Medical Council of the Ministry of Health; 2010
72. Member of the patient disposition committee at 15 Khordad educational and therapeutic medical center; 2010
73. Reviewer of research projects of the Clinical Research Development Center; 2010
74. Reviewer of research projects of Anesthesia Research Center at Shahid Beheshti University of Medical Sciences; 2010
75. Member of the committee of medical documents and admission regulations at 15 Khordad medical center; 2010
76. Member of the specialized plastic surgery committee of the Forensic Medicine Administration of Tehran province; 2010
77. Evaluation Representative of the General Directorate of Continuing Medical Education; 2010
78. Specialized expert in the field of plastic surgery in the office of the public prosecutor and law enforcement boards of the medical system organization; 2011
79. Member of the scientific committee of the sixth educational festival of the university; 2011
80. Member of the Dispute Settlement Council of the 15 Khordad Educational and Therapeutic Medical Center
81. Member of the Council of Educational Assistants; 2011
82. Secretary of the Clinical Governance Committee of 15 Khordad center; 2011
83. Foreign travel security training course
84. Member of the specialized committee of plastic surgery, Supreme Medical Council of the Ministry of Health; 2012
85. Reviewer of articles in Iran's Journal of Surgery (Quarterly Scientific Research Journal); 2012
86. Reviewer articles in Pajoohandeh journal (Bimonthly research journal of Shahid Beheshti University of Medical Sciences); 2012
87. Member of the hospital's accreditation executive management team; 2012
88. Member of the hospital's emergency department improvement committee; 2012
89. Member of the Iranian Hand Surgeons Association; 2012
90. Member of Patient Safety Committee; 2012
91. Member of the medical ethics committee of the hospital; 2012

92. Member of the mortality and morbidity, complications, pathology and histology committee of the hospital; 2012
93. Representative of department doctors in blood bank affairs; 2012
94. The head of the nursing care in reconstructive and aesthetic surgeries seminar in 15 Khordad hospital; 2012 December 10&11.
95. Member of the executive committee of the academic faculty recruitment of Shahid Beheshti University of Medical Sciences
96. Head of the plastic surgery department of the university; February 2013.
97. A member of the hospital's executive management team within the framework of the hospital's accreditation project; 2013
98. Head of the 15 Khordad Educational and Therapeutic Medical Center; 2013
99. Research liaison of plastic and reconstructive surgery department; 2014
100. Head of the executive committee of 15 Khordad hospital administrative transformation; since July 2014
101. Technical manager of 15 Khordad hospital; 2014 June 14
102. Member of the specialized plastic surgery committee of the Supreme Medical Council of the Ministry of Health and Medical Education; 2014 April 28
103. Member of the examination board for the admission of subspecialized assistant in the field of plastic surgery
104. Member of the examination board of the superspecialized encyclopedia in the field of plastic, reconstructive and burn surgery
105. Head of the reconstructive and plastic surgery department of the university; from June 2015 till March 2018
106. Head and member of the Research Council of the Clinical Research Development Unit in 15 Khordad hospital – official order number: 1394/s/16917; 2015 October 12
107. Member of the cranio-maxillofacial malformations working group of Shahid Beheshti University of Medical Sciences; 2016 March 5
108. Scientific secretary of the conference program on facial nerve injuries and new methods; 15 Khordad hospital; 2015 November 28
109. Member of the Strategic Council of the Faculty of Modern Medical Technologies; 2016 May 3
110. Scientific secretary of the nasal reconstruction conference; 2016 April 16
111. Member of the Board of Directors of the Plastic and Aesthetic Surgeons Association of Iran; 2016
112. Scientific secretary of the burn care program; 2016 November 14
113. Scientific secretary of the medical consumables and equipment in plastic and reconstructive surgeries program; 15 Khordad hospital; 2017 June 29
114. Scientific secretary of wound care program; 15 Khordad hospital; 2017 October 7
115. Scientific secretary of the program on how to reconstruct in lower limb defects; 15 Khordad hospital; 2017 July 8
116. Member of the Executive Committee of the International Congress of Top Plastic and Aesthetic Surgeons; 2017 October 24-27; Tehran
117. Vice-Chancellor of 15 Khordad Center – official order number: 0709/2265; 2018 September 5
118. Member of the Research Council of Clinical Research Development Unit at 15 Khordad hospital – official order number: 500/1225; 2018 July 17
119. Member of the Regional Board of Examiners and Evaluation of the Subspecialty Field of Plastic, Reconstructive and Burn Surgery – official order number: 0709/2265; 2019 March 13
120. Scientific and research officer of medical mobilization community at 15 Khordad educational and therapeutic medical center – official order number: 0902/464/4; 2019 October 23

121. Member of the Research Council of 15 Khordad Clinical Research Development Unit – official order number: 1399/d/28891; 2020 June 30
122. The scientific secretary of the restorative emergencies program of the 15 Khordad center; 2019 February 19
123. Member of the examination board of the superspecialized encyclopedia in the field of plastic, reconstructive and burn surgery – official order number: 100/156; 2022 May 11
124. Member of the Cultural Council of 15 Khordad Center – official order number: 0709/5054; 2023 March 2
125. Member of the Productivity Management Committee of the Educational and Therapeutic Medical Center of 15 Khordad

LETTERS OF APPRECIATION

1. Chancellor of the university, Dr Alireza Zali – in appreciation of activities
2. Chancellor of the university, Dr Alireza Zali – in appreciation of efforts
3. Chancellor of the university, Dr Alireza Zali – in appreciation of committed effort and service
4. Educational deputy of university, Dr Seyed Abbas Safavi Naeini - in sincere appreciation of efforts in education
5. Chancellor of the university, Dr Habibollah Piroozi – Exemplary faculty member
6. Chancellor of the university, Dr Seyyed Mahmood Tabatabaei – Exemplary faculty member
7. Chancellor of the university, Dr Mohammadreza Razzaghi – Exemplary faculty member
8. Chancellor of the university – Selected exemplary researcher of the university from the group of associate professors
9. Head of the Supreme Medical Council of the Ministry of Health and the department's head of in hospitals, Dr Abbasali Asadi – in appreciation of efforts
10. Dean of the Faculty of Medicine, Dr Ali Hayeri – in appreciation of activities in the field of education and research
11. Head of the continuing education office of the medical community, Dr Ahmad Farsar – in appreciation of honest service
12. Advisor to the Vice-Chancellor and Head of Continuing Education of the Medical Society – in appreciation of services and efforts.
13. Vice chancellor of the university – in appreciation of unquestionably valuable efforts
14. The head of the medical system organization – in appreciation of 30 years of service to the health of our fellow countrymen.
15. Educational deputy of university – in appreciation of efforts in educational advancement of the university.
16. Chancellor of the university – in appreciation of sincere efforts to improve the health condition of society
17. Director General of Forensic Medicine of Tehran Province – in appreciation of cooperation and diligence in the administration of forensic medical commissions
18. Chancellor of the university – in appreciation of efforts in training
19. Educational deputy of university - in sincere appreciation of participation in holding the seventh educational festival, 2012 May.
20. Chancellor of the university – in appreciation of efforts and in congratulation on teacher's day
21. Treatment deputy of Shahid Beheshti University of Medical Sciences (SBMU) - in sincere appreciation of efforts, 2014 October.
22. Chancellor of Shahid Beheshti University of Medical Sciences (SBMU) – in appreciation of the success of the plastic and reconstructive surgery department in achieving the top rank in the 2014 super-specialized encyclopedia exam
